Welcome to MCC!

Thank you for choosing Maritime Christian College (MCC). God is working in your life because you want to know more about Him and have committed to taking a class. Congratulations! This is an excellent start. Abram (later Abraham) left Ur because God had called him on a journey through the land of Canaan. While on that journey Abram learned how God would bless all people through his family, even though Abram had no children at the time. Abram's step of faith laid the foundation for the Jewish nation and ultimately to Jesus' ministry, arrest, death, and resurrection.

God promised Abraham that all nations would be blessed through him. This blessing continues as each one of us makes disciples by investing in the lives of others. As you read through the Student Handbook you will discover guidelines for interacting with your classmates as well as faculty and staff. As believers we should build one another up and be an encouragement. Your actions will help build community among your fellow classmates.

As a Christian College dedicated to making disciples who make disciples, our spiritual walk is essential and our words of encouragement and willingness to bear one another's burdens matter (Gal. 6:1-2). We are called to encourage one another (1 Thess. 5:11) and inappropriate, hurtful, or dismissive words in our correspondence or face to face meetings is unacceptable behaviour which does not reflect Christlikeness. We must hold one another accountable (James 5:16).

MCC makes use of the Populi Learning Management System (LMS). Take time to familiarize yourself with the LMS as this will be your main avenue of interacting with your professor and classmates. If you have any questions about Populi (LMS), contact Ellen Arsenault (earsenault@mccpei.com).

Dr. Jerry Scripture, Director of Online Learning, will oversee the online courses to ensure quality control. He loves students and is available to help. If you have any issues, please contact him at jscripture@mccpei.com.

We hope you enjoy your time at MCC and grow in your knowledge and relationship with Jesus Christ.

Thomas Marshall
Academic Dean
Maritime Christian College

CLASSES

Christian Service

The concept of student ministries is fundamental to a Biblically based higher education. Not only are students given the opportunity to put into practice what they learn in the classroom, but, more importantly, they become aware of, and are involved in, helping to serve the needs of others.

Class Load

A semester hour of credit represents one hour of classroom instruction per week for one semester. A student is considered full-time if he/she is enrolled for 12 or more semester hours. A full load of classes is considered to be 15 or more semester hours. A student may not enroll for more than 18 hours without the permission of the Academic Dean. It is expected that a student will devote at least 2 hours of study preparation and research for each hour of classroom instruction.

College Student Communication

All academic, financial and other communication will be between the college and the student, not with parents/guardians. It is the student's responsibility to communicate with their parents/guardians.

Maritime Christian College will assign the student email listed on the student's application/registration as the official email on record at the College. All official communications, including messages from your professors, or administrative offices will be sent to this official email address and no other.

Courses

The online courses are asynchronous, which means that you can work on them anytime of day from anywhere in the world.

Internship

The B.A. (Bible) program requires an internship during the last two years of the program. The intern is under the supervision of a designated supervisor at their location and will also be supervised by the College as a part of the entire Internship Program.

Internship is a part of the academic program of the College worth one semester hour credit per semester. Summer internships may also be available. One credit hour of internship equals ten hours work each week during the semester, or ten hours per week for two and a half months during the summer.

Statute of Limitation on Finishing Degree Program

MCC will allow up to 10 years to finish a degree program. After 10 years many classes may have to be retaken due to changes.

Textbook Policy

Students are responsible for purchasing textbooks for each course. Textbooks will be listed in the Learning Management System, available to students once they are accepted into a course.

Withdrawal From Class

- Part-time Students – Tuition and fees are non-refundable after registration day.
- Full-time Students – withdrawal from a course is allowed up to:
 - 2 weeks after the start of class with a 75% refund of tuition
 - 3 weeks after the start of class with a 50% refund of tuition
 - 4 weeks after the start of class with a 25% refund of tuition

A withdrawal form must be completed by the dates listed to be eligible for any refund of tuition. A form may be obtained by emailing: registrar@mccpei.com

GRADES AND ASSIGNMENTS

Grading System:

1. We are presently using the numerical system for our final grades. 65% is the passing grade.

Letter	Description	Numerical Value	Grade Points
A	Excellent	96-100	4.00
A-		94-95	3.67
B+		92-93	3.33
B	Good	88-91	3.00
B-		85-87	2.67
C+		82-84	2.33
C	Average	78-81	2.00
C-		75-77	1.67
D+		72-74	1.33
D	Passing	68-71	1.00
D-		65-67	0.67
F*		Failing	0-64
I**	Incomplete		0.00
P	Passing		0.00
AU	Audited Course		0.00
W	Withdrew		

* Percentage of Failing grade will be computed toward student's numerical average.

** The incomplete mark is for the student who, due to extenuating circumstances, is unable to complete the final exam or other work for a course by the posted end date for the course. In conjunction with the professor's agreement and the establishment of a schedule with due dates for completed work, the student will receive an Incomplete instead of a failing grade on their report card. Any Incomplete courses will not be applied to the student's overall G.P.A. If the assigned work is not completed by the set due date, a grade of F will be applied to the student's overall G.P.A.

2. Withdrawal from a course after week four shall result in a grade of WF. If a student withdraws during week one to four and is doing passing work, a grade of WP shall be given.

Academic Dishonesty:

Maritime Christian College endeavors to prepare men and women for Christian service. As part of that endeavor, students are expected to uphold a high level of honesty in their personal and academic lives. Acts of plagiarism, cheating, or other forms of academic dishonesty may result in failure of the assignment, the course or possibly dismissal from the school.

a. Plagiarism. The student who deliberately attempts to pass off the writing of someone else as his or her own is guilty of plagiarism. This offense can be of different degrees. It may involve either submission of a paper written by someone else or direct copying, without quotation marks and appropriate acknowledgment of the printed source.

1. Insufficient Documentation. Honesty and courtesy require that a writer acknowledge the source from which he or she draws material. This documentation provides both an acknowledgment of source and also support for their ideas. Insufficient or inaccurate documentation is a serious weakness in a paper. It will certainly result in a lower grade, or a rewriting of the paper, or if serious enough, a failure of the paper. The mark of zero will be given and the paper returned. It should be remembered that inadequate paraphrasing or closely following another's thoughts is the same as plagiarism.

2. Excessive Collaboration. Students are expected to do their own work. Naturally students will discuss their work with other students but excessive collaboration is objectionable. Submitting another person's work as one's own is absolutely prohibited. Such a practice will result in an F for the assignment and may well result in a failure for the course.

b. Cheating on exams is academic dishonesty. Those students who aid another student in the cheating process also have performed academic dishonesty.

c. Other forms of academic dishonesty include, but are not limited to, dishonesty concerning one's personal information or conduct; theft of another person's property; or the pirating of software.

Attendance Policy:

Each student is required to complete every class lesson and activity in each course taken.

Dismissal:

Students dismissed from the College will receive a grade of "F" for all their courses in that semester. The date of the dismissal will be noted in the student's academic transcript.

Format of Research Papers:

All papers for Maritime Christian College will be written and submitted in Chicago style according to: <https://owl.english.purdue.edu/owl/resource/717/2/>

Graduation Requirements

1. All academic requirements must be satisfied including the attaining of a cumulative 2.00 G.P.A.
2. All outstanding bills with MCC must be paid in full by April 1st.
3. The candidate must be approved for graduation by the Faculty as given authority by the Board of Directors.

Late Work/Return Policy:

No late work will be accepted without prior consent of the instructor. All assignments will be marked and returned to the students within 10 days.

Probation

There is an expectation that a full time student will achieve a certain minimum of academic standard per semester. The following scale outlines these expectations:

- 1.00 after 1st semester
- 1.33 after 2nd semester
- 1.67 after 3rd semester
- 2.00 after 4th semester

Full-time students whose average falls below the above in any semester will be placed on academic probation for the following semester and may be required to lengthen the time for completing the remainder of their program.

Conditions of Probation

- Students on academic probation are not permitted to take more than 10 hours of course work in any semester.
- Students on academic probation must terminate their programs at the end of that semester if the probationary status is not removed or extended by achieving an average for the semester equal to or higher than that required. Exceptions must be approved by the Academic Dean.
- At the end of each semester, students on academic probation are considered by the Academic Dean, in consultation with the faculty if necessary, for the purpose of determining their future academic status.
- If a student does not meet the minimum requirements while on academic probation they must take a semester off and reapply with new references, essay and/or transcripts stating where they've been since they left school, what they have learned and what their plans are if accepted back into the program.

STUDENT RESPONSIBILITIES

Assistance for Students

The faculty are available to speak with students and offer assistance regarding any aspect of College life. If you would like to discuss personal or confidential issues with a faculty member please make an appointment. Confidence will be kept as long as the student is making sufficient progress or until the situation is serious enough to warrant outside consultation.

Code of Conduct

The College is a community of scholars in which the ideals of freedom, freedom of expression, and freedom of the individual are sustained. However, preservation of these freedoms and rights requires respect of the rights of all in the community to enjoy them to the same extent. In a community of learning, willful disruption of the educational process, and interference with the orderly process of the College as defined by the College administration or with the rights of other members of the College cannot be tolerated. Students enrolling in the institution assume an obligation to conduct themselves in a manner compatible with the College's function as an educational institution. To fulfill its functions of imparting and gaining knowledge, the College retains the power to maintain order within the community and to remove those who are disruptive to the educational process.

Financial Obligations

1. Students are reminded that tuition and other fees are intentionally kept low so that all who desire a Christian education may obtain it without undue financial stress. Actually the fees provide only a small portion of the total cost of operating the College. The major portion comes from the gifts of individuals and churches who faithfully support this Christian endeavor.
2. Students are expected to pay all bills upon enrollment. Otherwise, any delay in payment must be approved by the Chief Operating Officer. The College offers financial assistance as stated in our Catalogue.
3. Accounts remaining unpaid as of the 1st of the month after registration will be assessed a \$100 administrative fee.
4. Accounts remaining unpaid in whole or in part as of the end of the semester they are charged will incur 1% non-compounding, cumulative interest on a monthly basis, beginning the month after the end of the semester.
5. Individuals with open balances will not be able to register for further academic classes.
6. A degree or certificate will not be granted, nor will an official transcript be issued, until the student takes care of all financial obligations with the College.

Insurance

All full-time students have the option to enroll in the College health and dental insurance plan provided through the University of Prince Edward Island.

All students traveling with the College for any reason are required to sign a waiver form releasing the College of liability should anything happen while traveling with College groups or representing MCC.

Netiquette

Maritime Christian College does not tolerate disruptive or disrespectful behavior in the online communications in any course.

Physical Fitness

Physical fitness is important to the body and mind. Therefore all students are encouraged to maintain regular physical fitness.

Statement of Faith

Maritime Christian College welcomes students from diverse backgrounds, irrespective of physical origin (ethnic, national, or racial), skin color, gender, political affiliation, age, marital status, family relationship, or handicap. As a faith-based institution, Maritime Christian College makes one exception to a student's background: religious belief and affiliation. Maritime Christian College expects its students to adhere in both good conscience and good faith to its statement of faith. Students are expected to agree with and to the following statement of faith, derived directly from Maritime Christian College's fourth By-Law:

- a. Maritime Christian College, in its endeavor to educate and equip men and women for Christian service, will make the Bible its chief textbook, arrange all its courses of study, and conduct its work in harmony with both the Spirit and letter of the Word of God. To this end, students must believe without reservation in the full and final inspiration of the Bible such that it is, to the student, the infallible Word of God, and therefore the all-sufficient rule of faith and life; in the Deity and supreme authority of Jesus Christ; obedience to the Gospel; the edification of the Church; and the restoration of its unity on the New Testament basis.
- b. Believing that such faith and a church with a program in harmony with this faith are essential to the salvation of the world, Maritime Christian College will endeavor to so educate and inspire its students as to make them effective servants of Jesus Christ.
- c. Maritime Christian College must be independent, separate and apart from all other agencies. While intending to antagonize none, but seeking the friendship and cooperation of all in proportion that like aims are cherished, Maritime Christian College will press on to train Christian workers to preach, teach, and live Jesus Christ.
